East Cape MBA/FEM Mentorship

Invitation - Mentors

1. MBA Mentorship Programme

The MBA will be hosting an annual Mentorship Programme for SMME's to assist them with their health & safety knowledge.

The programme will comprise a number of virtual workshops on various OHS topics to assist with the understanding and practical requirements of OHS on site and OHS files.

As part of the programme we would like to assign them to a mentor from one of our established member companies to support and assist them during the programme. Mentors will only be required to be available via telephone/email when the mentees have questions or need advice on site.

The programme is scheduled to be run during the months of July and August 2025

2. Mentor Criteria

Mentors must meet the following qualifying criteria:

- Registered and in good standing with SACPCMP as either a CHSO or CHSM
- Have relevant construction experience
- Assist the Mentee via email or phone
- Be willing to join Zoom meetings as needed

3. Request

The MBA therefore requests any established member companies who have OHS Officers/Managers who meet the above criteria to volunteer their services as mentors for the above programme by contacting Luane Swart on 041 365 1835 or Luane@ecmba.org.za by **Friday 10 July 2026.**
