MBA Bulletin - 29 January 2026

(Bulletin ref. 2026/02)

Greetings!

We've been making a few changes to our website to make it easier to navigate and will be mentioning some of the NEW IMPROVEMENTS below.

MBA Video Library

We recently started a new initiative to provide more useful resources to members in one convenient location. Part of this initiative has been to create a Video Library where recordings of relevant information sessions, tech talks, etc. are to be stored.

This is in addition to our Member Document Library which already contains hundreds of articles on various industry topics. Please take a look via the link below.

[MBA Video Library...](#)

NHBRC INFO and Q&A Sessions

One of the videos available in the new Library is the recording of the Information Sessions held with representatives of the NHBRC on 5 Aug last year which can be found under the Workshops & Seminars section.

A follow up Q&A sessions was held yesterday which will also be posted to our YouTube channel and video library in due course. Members attending yesterday's session commented that they found the video very informative especially ahead of the follow-up session. Keep an eye out for this one please.

Home Builders

We have created a NEW special Home Builders dropdown tab on the Website. The new section will include information specific to Home Builder members which we hope you will find useful. This section also has a dedicated NHBRC information page.

MBA Golf Day - PE

Our PE Golf day is being held on Thursday 5 March and bookings for 4-balls or sponsorships are coming in fast. You can make your bookings with [Stefan Ferreira via our Events Page.](#)

Resources

We've pulled some of our info out of the members only section to make it more accessible without have to **Sign in** while also making it available to non-members. There are still many articles as well as other information which will remain reserved for members only and for which members will have to sign in. Please contact [Maryke](#) if you need assistance with your **Sign in**.

Please let us know if there is anything else you'd like to see in front of the "firewall".

Sincerely

Greg

Greg Steele
Executive Director
